# **2018 Miss Fredericksburg Fair Leona Gaither**

**Leona is a rising sophomore at the University of Virginia. She intends to major in Biochemistry in the hopes of becoming a university professor and researcher. Her platform, Dedication to Education, encourages students to passionately pursue education and provides a variety of resources to students who may need extra support. Leona embodies her platform through participating in book and school supply drives, volunteering in local classrooms at her university through their Madison House program “CAVs in the Classroom”, and living in a first-year dorm next year as a Resident Advisor to provide support to incoming students. Leona has loved every second she’s spent representing the Fredericksburg Fair, and is honored to have placed in the Top Ten at the Miss Virginia Association of Fairs Pageant that was held at the Homestead in January 2019.**
