Meet Miss Fredericksburg Fair 2020 Zoe Kovacs

Zoe Kovacs is an eighteen-year-old graduate of Liberty High School. She will be attending Germanna Community College intending to complete a bachelor's degree in Environmental Science. Her future goal is to learn trades such as welding while focusing on a career in soil and water conservation. She started her pageant journey in 2014—learning and achieving more of her goals each time she competed. She was crowned Miss Teen Fredericksburg Fair in 2019 and was nominated to represent Fredericksburg as Miss Fredericksburg Fair in 2020. She has used her title to raise awareness for Camp Kesem, an organization that helps children who have parents affected by cancer know that they are not alone in their difficult time. In her spare time, she volunteers at the Humane Foundation, trains and works with horses, paints, and draws.
